

THE NATIONAL
GREAT BLACKS
IN WAX MUSEUM^{INC}

The Coronavirus

The National Great Blacks In Wax Museum has been monitoring the status of the coronavirus (COVID-19). Presently we are open and operating at our normal business hours. We want the public to know that the health and safety of our visitors and staff are of the utmost importance to us. We urge everyone to adhere to good health practices, wash your hands thoroughly, cover your cough, and avoid contact with people who are sick.

Here are recommendations by the CDC and the steps we are taking to ensure our visitor's safety...:

1. Clean and sanitize all handles, exhibits, bathrooms, floors and all public spaces.
2. Clean and sanitize all hand rails
3. Provide hand sanitizer to all patrons
4. Train all staff in best practices to prevent the spread of the virus.

We will closely monitor all recommendations by the CDC and provide updates.

Museum: 1601-03 E. North Avenue, Baltimore, MD 21213
